EXPLANATORY STATEMENT

This Explanatory Statement is included in and forms part of the Notice of Meeting. It contains background information pertaining to the Resolutions to be considered and voted upon at the Meeting as well as information required to be given to Shareholders under the Listing Rules in relation to the Resolutions.

It is given to Shareholders to help them determine how to vote on the Resolutions set out in the Notice of Meeting.

Shareholders should read this Explanatory Statement in full and in conjunction with the other sections of this Document, in order to gain a more complete understanding of the Resolutions proposed in the Notice of Meeting.

If a Shareholder is in doubt about what to do in relation to a Resolution, it should consult its financial or other professional adviser.

1. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

1.1 Background

The Annual Report for the year ended 30 June 2024 contains the Company's Remuneration Report on pages 32 to 37. The Remuneration Report sets out the Company's remuneration policies and reports on the remuneration arrangements in place for the Directors of the Company. A copy of the 2024 Annual Report is available on the Company's website at www.silvermines.com.au, or upon request and free of charge.

The Corporations Act requires:

- (a) the agenda for an Annual General Meeting of a listed company to include a resolution for the adoption of the Remuneration Report (the subject of this Resolution 1); and
- (b) expressly provides that the vote on that resolution is advisory only and does not bind the Directors or the Company.

Shareholders attending the Annual General Meeting will be given a reasonable opportunity to ask questions and comment on the Remuneration Report.

1.2 Voting Exclusion Statement

A description of the persons not permitted to vote on Resolution 1, and whose votes will be disregarded if cast on Resolution 1, is set out in the Notice.

2. RESOLUTION 2 – 10% PLACEMENT CAPACITY

2.1 Requirement for Shareholder Approval under Listing Rule 7.1A

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of their issued capital through placements over a 12-month period, following approval at its Annual General Meeting (**10% Placement Capacity**). This 10% Placement is in addition to the 15% placement capacity that a Company may utilise according to Listing Rule 7.1.

For personal use only

The Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a market capitalisation of less than A\$300 million.

The Company is seeking Shareholder approval to enable the Company to issue Equity Securities under the 10% Placement Capacity. The exact number of Shares that may be issued by the Company pursuant to this Resolution 2 will be determined in accordance with Listing Rule 7.1A.2.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A, without any further shareholder approval. If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

2.2 Required information under Listing Rule 7.3A

For the purpose of Listing Rule 7.3A, the Company gives the following details in relation to this Resolution 2:

(a) *Formula for calculating the 10% Placement Capacity:*

The number of Equity Securities which the Company may issue pursuant to this Resolution 2 in accordance with Listing Rule 7.1A.2 may be calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

A is the number of Shares on issue at the commencement of the relevant period,

- (i) **plus** the number of fully paid ordinary shares issued in the previous in the relevant period under an exception in Listing Rule 7.2 other than exception 9, 16 or 17,
- (ii) **plus** the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - A. the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - B. the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4,
- (iii) **plus** the number of partly paid securities issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - A. the agreement was entered into before the commencement of the relevant period; or
 - B. the agreement or issue was approved, or taken under these rules to have been approved, under rule 7.1 or 7.4,
- (iv) **plus** the number of fully paid ordinary securities issued in the relevant period with approval of holders of shares under Listing Rule 7.1 and 7.4,
- (v) **plus** the number of partly paid ordinary securities that became fully paid in the relevant period,
- (vi) **less** the number of fully paid ordinary shares cancelled in the relevant period.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under rule 7.4.

In relation to the Company, “relevant period” means the 12 month period immediately preceding the date of issue or agreement.

(b) Issue price of securities

The minimum price at which Equity Securities are issued will not be less than 75% of the VWAP of the Equity Securities in the same class, calculated on the 15 trading days on which trades were recorded immediately before:

- (i) the date on which the Equity Securities are issued or agreed to be issued by the Company and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within ten trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(c) Risk of economic and voting dilution of ordinary securities holders

Any issue of Equity Securities under the 10% Placement will dilute the voting interests and may dilute the economic interests of Shareholders who do not receive Equity Securities under the issue.

The table below seeks to demonstrate the potential dilution of existing members from the issue of Equity Securities under the 10% Placement calculated in accordance with the formula in ASX Listing Rule 7.1A.2. The table considers the current number of shares on issue, the effect of a change in the number of shares on issue, and a variation in the issue price of shares (noting that shares may only be issued at up to a 25% discount based on the VWAP of the shares calculated over the 15 trading days preceding the issue.)

VOTING DILUTION

Number of shares on issue	Dilution variable	\$0.05 (50% decrease in current issue price)	\$0.10 (current issue price)	\$0.20 (100% increase in current issue price)
1,508,036,257 (current)	Additional 10% shares issued	150,803,625	150,803,625	150,803,625
	Funds raised	\$7,540,181	\$15,080,362	\$30,160,725
2,262,054,385 (50% increase)	Additional 10% shares issued	226,205,438	226,205,438	226,205,438
	Funds raised	\$11,310,271	\$22,620,543	\$45,241,087
3,016,072,514 (100% increase)	Additional 10% shares issued	301,607,251	301,607,251	301,607,251
	Funds raised	\$15,080,362	\$30,160,725	\$60,321,450

This tables makes the following assumptions:

- (i) the current number of Shares on issue is the number of Shares on issue at as the date of this Notice;
- (ii) the current issue price is the closing price of Shares on 14 October 2024;
- (iii) the Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity;
- (iv) the calculations above do not show the dilution that any one Shareholder will be subject to – all Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances; and

For personal use only

- (v) this table does not consider any dilution which may occur subject to ASX Listing Rule 7.1.

There is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of issue of the Equity Securities than on the date of the Annual General Meeting; and
- (ii) the Equity Securities may be issued at a price which is at a discount to the market price for the Company's Equity Securities on the issue date.

(d) Date approval will expire

The approval given pursuant to Resolution 2 will expire on the earlier of:

- (i) The date that is 12 months after the date of the Meeting at which approval for this Resolution is obtained; or
- (ii) The time and date of the Company's next annual general meeting; or
- (iii) the date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) or such longer period if allowed by the ASX.

(e) Purpose

The Company may issue Equity Securities under its 10% Placement for various purposes including the following:

- (i) progression of the Company's flagship Bowdens Silver Project and other regional projects;
- (ii) acquisition opportunities; and
- (iii) general working capital purposes.

(f) Allocation policy

The allottees of the Equity Securities under the 10% Placement Capacity have not yet been determined, however, the Company may issue Equity Securities under the 10% Placement Capacity to current Shareholders or new investors or both. No recipients of Equity Securities under the 10% Placement Capacity will be related parties of the Company.

The Company will determine who will receive Equity Securities under the 10% Placement Capacity if and when it decides to utilise the 10% Placement Capacity, taking into consideration the following:

- (i) the purpose of the issue;
- (ii) alternative fund raising methods available;
- (iii) the effect of the issue on the Company;
- (iv) the circumstances of the Company, financial and otherwise;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (as applicable).

(g) Prior approval

The Company did not seek approval at the 2023 AGM under Listing Rule 7.1A.

(h) Issue of Shares under rule 7.1A.2 since 2023 AGM

Nil

2.3 Voting Exclusion Statement

There is no voting exclusion statement for this Resolution. As at the date of this Notice of Meeting the Company has no specific plans to issue Equity Securities pursuant to ASX Listing Rule 7.1A and therefore it is not known who (if any) may participate in a potential (if and) issue of Equity Securities under ASX Listing Rule 7.1A, and therefore no existing Shareholder will be excluded from voting on this Resolution.

2.4 Recommendation of Directors

Each Director recommends that Shareholders vote **IN FAVOUR** of Resolution 2. Each Director confirms that he has no personal interest in the outcome of Resolution 2 other than in his capacity as a Shareholder or an Associate of a Shareholder.

3. RESOLUTION 3 – RATIFICATION OF PLACEMENT SHARES

3.1 Background

On 5 February 2024, the Company announced that it had successfully completed placement of 59,259,260 Shares (**Placement Shares**) at an issue price of \$0.135 to raise \$8 million (before costs) (**Placement**) to institutional, professional and Sophisticated investors resulting for progression of and pre- development expenses including exploration associated with the Company's flagship Bowdens Silver Project. Funding will also be made available for exploration activities at the Company's other projects and for corporate and general working capital purposes.

Canaccord Genuity and Jett Capital Advisors LLC acted as Joint Lead Managers to the Placement.

The 59,259,260 Placement Shares issued under the Placement to Sophisticated Investors were issued using the Company's capacity under ASX Listing rule 7.1. The issue of Placement Shares occurred on 9 February 2024. The Company now seeks shareholder approval to ratify the issue of Placement Shares pursuant to Listing Rule 7.4.

3.2 Subsequent approval of an issue of Securities under Listing Rule 7.4 and 7.5

Listing Rule 7.1 requires Shareholder approval for the proposed issue of securities in the Company where such issue represents more than 15% of the Company's securities then on issue within the 12 month period immediately prior to the date of that issue or the date of agreement to effect that issue (**15% Threshold**). Listing Rule 7.4 permits the ratification of previous issues of securities made without Shareholder approval, provided such issue, in aggregate with any other applicable issues of Equity Securities by the Company, did not breach the 15% Threshold.

Shareholder ratification of an issue of securities under Listing Rule 7.4 enables the Company capacity to issue further securities up to the 15% Threshold, without additional Shareholder approval (but still subject to any other approval required under the Listing Rules), to the extent of the securities that were the subject of that ratification.

Listing Rule 7.4 stipulates that an issue of Equity Securities made without Shareholder approval under Listing Rule 7.1 is treated as having been made with it is subsequently approved by Shareholders.

The issue of the Placement Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it uses part of the Company's 15% capacity in Listing Rules 7.1, and if this Resolution is not approved it reduces the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 and Listing Rule 7.1A for the 12 month period following the date of issue of the Placement Shares.

3.3 Additional disclosure

The following information in relation to the Placement Shares, the subject of Resolution 3 is provided to the Shareholders for the purposes of Listing Rule 7.5:

(c) *Equity Securities issued*

(e) *Issue date*

(f) *Terms*

6. RESOLUTION 6 – PROPORTIONAL TAKEOVER PROVISIONS

6.1 Background

The Corporations Act permits a company to include provisions in its constitution which enable the company to refuse to register a transfer of shares under a proportional (or partial) takeover offer, unless a resolution is first passed by Shareholders approving the offer.

Accordingly, article 13 of the Constitution provides that the Company is prohibited from registering a transfer of Shares resulting from a Proportional Takeover Bid unless a resolution to approve the Proportional Takeover Bid is passed (or deemed to have been passed) by holders of Shares in the relevant bid class (**Bid Shareholders**). The Proportional Takeover Provisions have been extracted in full in Annexure B of this Notice.

A copy of the Company's constitution is available for review on the Company's website at <https://www.silvermines.com.au/wp-content/uploads/2021/08/SVL-constitution.pdf>

6.2 Requirement for Shareholder Approval

Section 648G of the Corporations Act provides that Proportional Takeover Bid approval rules apply for a maximum period of three years unless renewed. This requirement is also reflected in article 13.11 of the Constitution.

The Proportional Takeover Provisions have not been renewed and ceased to have effect in 2009 (being, the three years from adoption of the Constitution in 2006). The Directors consider that it is in the best interests of Shareholders to have Proportional Takeover Provisions in the Constitution and Shareholders are asked to consider Resolution 6 to reinstate the Proportional Takeover Provisions on identical terms.

If this Resolution is not approved, Proportional Takeover Provisions will not be reinstated in the Constitution.

6.3 Information required by the Corporations Act

The Corporations Act requires certain information to be included in a notice of meeting where a company seeks the approval of its shareholders to renew its proportional takeover provisions.

This information is set out below.

Proportional takeover bid

A Proportional Takeover Bid is essentially a takeover bid that is sent to all shareholders in a class, offering to purchase only a specified proportion of each shareholder's shares. If the Bid Shareholder accepts, the Bid Shareholder disposes of that specified portion and retains the balance.

The Corporations Act allows a company to provide in its constitution that if a Proportional Takeover Bid is made relevant Shareholders must vote on whether to accept or reject the Proportional Takeover Bid and that decision will be binding on all Bid Shareholders. This provision allows relevant Shareholders to decide collectively whether a Proportional Takeover Bid is acceptable in principle.

Effects of the Proportional Takeover Provisions

The effect of the Proportional Takeover Provisions is as follows:

- If a bidder makes a Proportional Takeover Bid for any class of Shares in the Company, the Board must ensure that a resolution to approve the Proportional Takeover Bid is voted upon by Bid Shareholders. The vote is decided on a simple majority. The bidder and its associates are excluded from voting on that approving resolution.
- The vote on the approving resolution must take place more than 14 days before the last day of the bid period.
- If the approving resolution is rejected before the deadline, the bid cannot proceed and any transfers giving effect to takeover contracts for the bid will not be registered.
- If the approving resolution is not voted on, the bid will be deemed to have been approved.
- If the approving resolution is passed (or deemed to have been passed), the transfers must be registered (subject to other provisions of the Corporations Act and the Constitution).
- The Proportional Takeover Provisions do not apply to full takeover bids.

Reasons for the Proportional Takeover Provisions

A Proportional Takeover Bid may result in control of the Company changing without Shareholders having an opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of not being able to exit their investment in the Company by selling their entire shareholding and consequently being left as a minority Shareholder in the Company. The bidder may be able to acquire control of the Company without payment of an adequate control premium.

The Directors consider that Shareholders should be able to vote on whether a Proportional Takeover Bid ought to proceed given such a bid might otherwise allow control of the Company to change without Bid Shareholders being given the opportunity to dispose of all their Shares for an appropriately priced offer.

The Board believes that the Proportional Takeover Provisions are desirable to give Shareholders protection from these risks. They give effect to a protection that the Corporations Act provisions are intended to provide.

The Proportional Takeover Provisions allow Shareholders to decide if a Proportional Takeover Bid is acceptable in principle and may assist in ensuring that any Proportional Takeover Bid is appropriately priced.

Knowledge of any acquisition proposals

As at the date of this Notice, no Director is aware of a proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

All Directors (with the exception of Rob Dennis) are also Shareholders of the Company and, therefore, those Directors have the same interest in Resolution 6 as all Shareholders. Details of the respective shareholdings of the Directors are set out in the Company's 2024 Annual Report.

Review of Proportional Takeover Provisions

The Corporations Act requires these Explanatory Statement to discuss retrospectively the advantages and disadvantages for Directors and Shareholders of the Proportional Takeover Provisions which are proposed to be renewed.

While the Proportional Takeover Provisions have been in effect, there have been no takeover bids for the Company, either proportional or otherwise, and therefore the Proportional Takeover Provisions have not been activated. Consequently, there are no practical examples against which to review the advantages or disadvantages of the Proportional Takeover Provisions for the Directors and Shareholders of the Company. The Directors are not aware of any potential takeover bid which was discouraged by the Proportional Takeover Provisions.

Potential advantages and disadvantages

In addition to the retrospective discussion of the provisions proposed to be renewed, the Corporations Act also requires this Explanatory Statement to discuss the potential future advantages and disadvantages of the Proportional Takeover Provisions for both Directors and Shareholders of the Company.

The Directors consider that the Proportional Takeover Provisions have no potential advantages or disadvantages for any of them, and that they would remain free to make a recommendation on whether or not an offer under a proportional takeover bid should be accepted.

The Board notes that it could be argued that the Proportional Takeover Provisions are an advantage to the Directors as a takeover defence mechanism that could be exploited to entrench the incumbent Board. However, the Board believes that argument ignores the basic object of the Proportional Takeover Provisions which are to empower the Shareholders, not the Directors.

The potential advantages of the Proportional Takeover Provisions for Shareholders include the following:

- Shareholders will have the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- the provisions may assist Shareholders and protect them from being locked in as a minority;
- they increase the bargaining power of Shareholders and may assist in ensuring that any proportional takeover bid is adequately priced; and
- each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders and assist in deciding whether to accept or reject an offer under a proportional takeover bid.

The potential disadvantages for Shareholders include the following:

- proportional takeover bids for Shares in the Company may be discouraged as they make a proportional takeover bid more difficult to achieve;
- Shareholders may lose an opportunity to sell some of their Shares at a premium;
- individual Shareholders may consider that the Proportional Takeover Provisions would restrict their ability to deal with their Shares as they see fit; and
- the likelihood of a proportional takeover bid succeeding may be reduced.

The Board considers that the potential advantages for members of the proportional takeover approval provisions outweigh the potential disadvantages.

6.4 Recommendation of Directors

Each Director recommends that Shareholders vote **IN FAVOUR** of Resolution 6. Each Director confirms that he has no personal interest in the outcome of Resolution 6 other than in their capacity as a Shareholder or an Associate of a Shareholder.
